

Mindfulness Certificate Course

2-Day Intensive Training

Attend this in-depth Mindfulness Certificate Course to develop a comprehensive, step-by-step approach to help your clients incorporate mindfulness practices into their daily routine and help you provide greater healing for your clients who suffer from:

- Trauma
- Anxiety disorders
- Depression
- Relationship challenges
- Toxic habits or beliefs

This course will provide you with detailed, hands-on instruction on incorporating mindfulness into your treatment plans for the specific mental health disorders you see in your office each day. Full of structured and experiential exercises, interactive discussions, and case studies, you will take away practical strategies and reproducible handouts that are instantly usable upon your return to the office.

From intervening in the downward spiral of depression and anxiety to cultivating safety and groundedness in traumatized clients, you'll learn the art of applying mindfulness insights, skills and techniques to a variety of clinical populations.

Better still, you'll have the opportunity to practice the application of what you've learned under our instructor's skilled supervision.

Sign up for this certificate course today and leave this transformational experience armed with the skills and tools you need to enhance your very next session.

Don't miss out, this course will fill up fast!

Certificate of completion
will be awarded at the end of the course.
